there Hemember the number, 79 Fast Water afreet IMPORTANT TO THE PUBLIC! This following a hertisement was published in May, 15-19 in the 'Bo ton Daily Thines, and eventus other in spapers in the United battle, by June G. Whool, 19, the owner of the 'Woodworth Prient shortly after I had advirtued my 'PATENT STATIONARY OUT') IR PI VNNS, TONGUENG AND GROOVING MACHINE, throughout the United States "PLANING MACHINES.

Itals it is method of answering the frequent inquiries, by letter and off envise, as to my opinion upon the various notice, through the papers of the Stationary Knite Planing Vachines attempted to be padred off upon several persons agrorant of their true worth. I would state for the information of the enquirers that they will find but has tally the methine now offers I by soveral pretending inventors, describe in the 10th olume of the Repertory of Arts invente I by Samuel Bentlian in the your 1,01. A like machine was patented in this country by one kugley, some six teem wars since and another one put up by Albert Richards, of West Aroy, N. 1, and attained med about the same time. It ought to exilisy the public to I now that after fifty each recovery and another one put up by Albert Richards, of West Aroy, N. 1, and attained med about the same time. It ought to exilisy the public to I now that after fifty each recovery and the same for the purposes contemplated.

I will sure by the perton and fits per can to run you to the cost of the mechanic and fits per can to run youlke.

May 19 1949

Indeed plan a machine was the same. Said machine was after meaning meaning the content of the method of the content of such a machine was patterned in the method of the content of such a machine was attentioned.

May 19 1949

Anits of Mison,

I deny that any person ever raw or heard of such a macel int as unine until Invented the same band machine was operated in the month of August, 1943, and no machine before this could be so much work, and do it as well as mine in reply to the above advertisement and in order that the public may be assure it had incent man and offer the pedge ONF THOUSAND BOLLINES against an equal amount from said Wisson that ONF of my machines will plane or plane tongue andigroote with less poor as much immber in the same time and do it as well or better than TWO of the Woodworth machines. The trial to be made at my steam Mill Bord r St., kand Boston Massor at such other piace as may be concennent for such a trial JOSF PH P WOODBURN,

well the uritt minus \$550 00 for the getting was disposed of thus

Stationery (which the constitution says shall be let by contract to the lowes budder) \$1873.24
On examining this stock, the price averages above retail in Milwankee, in fact, the bill and stock are quite a different affair. The covers on the paper are charged at 9 cents per ream exta 2 000 quils at 3! cents apiece, and one package of knives which we looked at billed 2 dozen at \$1,56 each, contained but hilf a dozen! The next item is for contingent expenses, \$524 51. The next, purchases of books for Library, \$2330 01, for town plats, from which to select swamp lands \$800 00. It seems that such plats have been confracted for to the amount of nearly \$1,100, at a price of \$1.75 per copy, yet Land Officers as since us that \$1 is the uniform price. The balance is taken up by an rem for contingent expenses \$1000 and one quarter Governor's salary \$312 50—and the whole roots at \$18 less than the sum stated in His Excellency's communication.

Without presuming to pass an opinion on any Without presuming to pass an opinion on any of the foregoing items, we think an investigation is demanded as not a dellar of this money ever reached or was paid out of the iresury and we believe the Executive strong boy" contrains but \$4.54 funds. Should the committee on State Affairs, to whom the subject is referred, conclude to investigate thoroughly, we trust they will ascertain what his become of the Statutes and other volumes furnished by other states to Wisconsin since her admission into the Union and further information as to one of the Safes belonging to the Executive office and some other matters "too tedious to mention" just now. It is to be presented that every thing is straight but an insection; of public property scene desirable as well to show what the state has swell is what it has in I-Madison Arms (dem.)

Boston, Jan 16 We learn from presengers that when the care pa-sed Mandhes's this morning the large Cabinet Warehouse of H B Allen d Co at that pluc, was burning fetectly. A dwelling house was also on fire, and the surrounding buildings were in great darper.

great danger A Cloud on Chamount!---The bearful Revenue of a Swiss Ghi.

A Swess paper states that the beautiful valley Chanoum his just been the scene of a terrible tracedy, the circumstances of which are as follows —
A be untiful young girl named Addride Zwe t
was engaged to be married to a young Chamoise
hinter, named Carl Biguer, to whom she had long
been tendelly attached. The marriage day was

een tenderly attached heart to postpone it, and lacd, but Carl tound means to postpone it, and laced, but Carl tound means to postpone it, and there of being engaged in the recent disturbances in Pais

The reason of delay in promulgating the Constitution is to allow time for the public attention of the most important organic laws.

The prisoners at Hain, consisting of General Changarnier, La Moricière, and their companions, have been set at liberty on the frontier with manner.

wakened suspicion in the mind of Adelaide. She was a great since of mine of this dark in the flow of the local until watche. I sell the movements of her local until watche. I sell the movements of her local until watche. I sell the movements of her local until proof was filled by another, and that Carl only awaited a plausar, presented in that Carl only awaited a plausar, presented with her altogether. The coung girl vowe, a greenge—und fearfully. The coung girl vowe, a greenge—und fearfully that he had so have not girl been some gim-cott at in the hands of a young druggist, by whom she vas presionalty at young druggist, by whom she vas presionalty at though vanily loved and whose constancy and devotion mented a better recompense, she since circled in obtaining some from him—without of course, giving him the slightest hint of the use the intended it for It was in appearance exactly like onlineary wadding. Carl was agreat smoke—und she had often remarked that sparks from his part had burned holes in a large woolen scarf which he was accustomed to wear around his neck during his hunting expeditions on the mountains.

Adelaide knit a double scarf in which she in troduced a quantity of the gun-cotton, and this infernal machino? of her construction she picture, which is an allowed the same and fill and in the construction she picture. The fill she had burned holes in a large woolen scarf which he was accustomed to wear around his neck during his hunting expeditions on the mountains.

Adelaide knit a double scarf in which she in troduced a quantity of the gun-cotton, and thus the fill she had burned holes in a large woolen scarf which he had burned and where any fill and the control of the lite time with the filling and the filling an

has hunting expeditions on the mountains.

Adelaide kint a double sear in which she in toduced a quantity of the gun-cotton, and this troduced a quantity of the gun-cotton, and this infernal machino" of her construction she presented, with many demonstrations of tenderices to her faithless lover, having obtained in exclaimes by way of a souverin, the old searf he had been accustomed to wear change by way of a souverin, the old searf he had been accustomed to wear change he did not return from the chase next day reased and he did not appear. His family alarmed at his intwonted absence, sought him a different directions on the mountains, where they at length found him a liceless and disalgured corps.

I length found him a liceless and disalgured corps at length found him a liceless and disalgured corps. Adelaide on learning how farfully she was saying around indirected that death had been slow in coming and that the unfortunate victim had struggled long in his agont.

Adelaide on learning how farfully she was avenged, was seized with remorse and immediately gave hesself up to justice, making a full contession of her crime.

Fire IN Newbero—We learn that last Friday.

preparation. There are few higher numerics than Dr Percua.

Dr Combe, in his valuable writings on the "Physiology of Digestion, of screet that a diminution of the discussion and the discussion of the discussion of the discussion of the discussion of the Gastrie Junes is a prominent and all prevaining cause of Dy pepsis," and he states that "a discussion likely professor of medicine in I ondon who was severe by afflicted with the complaint finding electricity is to to all had resource to the Gastria. Direc, obtained from the stomach's of hydrogaminuts, which provide completely successful. cessful Dr Graham author of the fannous works on 'Vegeta ble Der, save Itts a remarkable fact in physiology, list the souncels of anumals, maccrated in water, in part to be due the interest of discoving various articles of food and of effecting a load of artificial digestion of them in no was dubrent from the natural digestar process. process
I fortised Dunglison of the Jefferson College, Plufa! I fortised for the Jefferson College, Plufa! I from this great work on Human Playan ogy, desones more than life pages to an examination of this subject—His experiment at with Dr. B. automat, on the easter Junes obtained from the bring human stomach and from a mile, are will hower. In all cares, he says, digestion occurred as perfectly in the national say in the natural differences one. nearly we with more in mancays, he way, algorithm occurred as perfectly in the netices days in the neticest as in the interest of problem. Drafer, Protessor of Ch infert, in the Medical Colleg, of the Europeast of New York in his Theorem of the more problem of Chemistry and the proteined of the more problem of Chemistry and the proteined areas of the substitute of the more problem of the more problem of the problem of the proteined of the problem of the highest problem of the highest of the problem of the problem of the problem of the relief that may be relief by problem of the relief that may be relief by problem of the relief that may be relief by problem of the relief that may be relief by problem of the relief that may be relief to the problem of the relief to row and used for experiments in Artificial Direction of the Sommeliand detaclent secretion of the time dure.

All modern works on Chemistry, Materia Medica, and Physiology and Il good Medical Dictionaries, describe the character and proparties of Paistry, and state many interesting details respecting it. The fact that in Artificial Digestins Finish, or Gastric Jince, periodic resulting the natural discossibility to the curre of in Loston and Dyspepsia—so naturally does such a me suggest to the mind.

As A Das PIPSIA CURER,

AS A DESPUESIA CURER, Dr Ho onces PEER's less produced the most marvel-lous effects, in curing coses of Debblist I medition ver-ous Declar, and Despeptive Consumption. It is impossi-ble to give the details of cases in the limits of This silver transment, but and entired early actual was been given of more than I wo Hundre I Hemiri also Cons 5, in Philadel plan New Jork, and Boston alone. These were nearly all desperato cases, and the cures were not only rayed and won levial but permanent. an deptate take, and the current weet. But only high a tool levial but permanent. It is a great Nevrous Amiliote, and particularly useful to lendency to Billious disor it. Liver compilating beer and Agus or built traded I ever and Agus, and the evil off ets of Quante, Mercure, and other drugs upon the Digestic Organs after a long relates. Also it resees it esting and the too bre use of ardent quirts. It almost reconciles Health with intersperance. Heath with intemperative

READ AND BE CONVINCED RIVD ND BE CONVICED

(From the Botton Bee]

The Editor and, be 34 * Dr Huodan is celebrated forman Batters, for the cure of Tiver Complaint, Jaum dice, Dvsj epsla, Chronice or Narions Debilits, is descried to one of the most popular medicines of the day. These liters have here most by thousand, and a friend at one chow awas he has himself received an edicitual and permanent cure or Jater Con plaint from the use of this remedy. We are consinced that, in the use of the two-broths of great consideration. They are pleasant in tests and smell, and can be used by persons with the most delicitual and smell, and can be used by persons with the most delicitude.

That this medicine will cure Liver Complaint and Despess, no one can doubt, after using it as directed. It acts specifically up on the stornich and hiere—it is preferable to colomit in all billows disease—it offset is immediate. They can be a limitationed to I emales or Infants with safety and reliable benexical any time. LOOK WILL TO THE MARKS OF THE GENERAL The liase the written signature of C.M. JACASON upon the wrapper, and the name blown in the botle, without they are spurious, lor-sile, wholesde and reidl at the Glaway Meniciar Stong, No. 120 Arch street, one door below Skith, Philadelphila, and by respectable dealers generally throughout the country and also for sale by

S JOHNSON, JR., Druggust, Milwaukee, Wiscomus GREAT DISCOVERY. JOHNSON'S CHEMICAL HAIR INVIGORATOR.

o Prevent Haldness, and to Restore the Have that has fall the off or become thin, and to cure effectually SCURF OR DANDRUFF
Prepared only by S JOHNSON, 151 E Water-st
FOR THE TOTLET,

THE INVIGORATOR is considered infinitely better than
oil or grease for the hair, and is an article in which a
cleaning and puriting wash is beautifully binded with
a most delicate, silks and glossy moisture for the hair,
oils It clears the porce of the skim, causes a healthy acer before attained, yet free from animal grease or cosquital
oils It clears the porce of the skim, causes a healthy action of the blood vessels, merces, &c, which tree the bair,
thereby preventing baldness and gray hair, entirely fact
the skin from seurf, dandruff, and other eutaneum disease,
disposes the hair to citrl, and keeps it so, will positively
clauge the harbisct hair into the noce such, healthy, glossy
state also imparts to it a darker color, and the free user
of which when moist with the invigorator a great ad lation to the
tollet, both on account of its delicate and agreedule pertimum, and the great mellitles it affords in dreamy the hair,
which when moist with the lartigorator, can be devised in
any sequent form, sons to press ree its place, when plain
or in curis. When used on children a health, lat has the foundation for a good head of hair.

Not 12 2m SCURF OR DANDRUFF

Ketchum & Comstock, HATTERS, 202 Main Street, Buffalo, We would respectfully call the attention of our many triends, and the public generally, to an in-strument we have recently imported from Pans,

from which the above cut was taken. By it we can take the exact shape and unorringly fit the most irregal ir heads. Many can testify to the inconvenience, and innoy ince, and actual pain they are subjected to, in breaking in Hats that will not fit them. By this incomous contrivance, this very great annotance is done away, as the Hats was made to fit perfectly the first time. Another great advantage is, by keeping a copy of the impression we can at all times in our customers from all parts of the country. We invite all who desire a perfect fit in a Hat, to call and leave an impression of their head, in it all those who take pleasure in nature sing the inventions of the ingenious, to call and see the operations of the surious instrument. Having adopted the Casa Systrat (high hall will readily acknowledge to be the best,) we are enabled to sold the best Silk Hat inable, at the extreme low pince of \$125 is impressing any \$5 that sold in this city. Our Hats are all manufactured by ourselves and in offering them to our customers we do so, with the condident was irruce they are all we recommend them to be, we invite all who do not wish to pay two profits upon a Hat, and are willing to save 25 per cent, to call and see "Conformateur."
